Welcome to All Saints Church, Boyne Hill

We are an Anglican Church, part of the Church of England Diocese of Oxford in the UK. We welcome all to our church whether you would like to come to a service, a course or event, or are interested in our history.

OUR VISION IS:

To be a welcoming church family, encouraging and supporting people of all ages on their journey to faith and relationship with Jesus; through vibrant Eucharistic worship, supportive small groups and strong community and schools outreach to build a joyful and sustainable future, enabling our community to live and share in the love of God.

All Saints' Church, which is Grade 1 listed, is just off the A4 Bath Road to the west of town, was opened in 1857 to serve rural Boyne Hill. The church complex is the most important collection of Grade 1 and Grade 2* listed buildings in Maidenhead. The Architect was George Edmund Street.

You will find a warm welcome from everyone and our up to date heating system! The worship needs of today are served by a variety of services, each in a distinctive style. We have a range of services and activities, examples of which can be seen on the opposite and back pages. Please do check our web-site for more information.

There are opportunities to join our choir and also to join our young Rock Shop musicians who practice in Church and support some of our services. There also are many ways in which you can volunteer to help, and be involved in the Church if you wish.
